Daniel CF Ng is a seasoned leader with over 40 years of experience in the ICT and marketing industries. He currently serves as EVP at Graphen AI, Managing Partner at Omni-Integra, and President of the CMO Council, while also holding advisory roles at organizations like Myraa Technologies and the Sustainability Business Network. Recognized as Asia's Power Leader in Marketing and Communications (2021-2023) by White Page International and Asia's Most Admired Marketing Leader (2023) by CMO Asia, Daniel is a Fellow of the Chartered Institute of Marketing (UK).

His career highlights include leadership roles at IBM, Red Hat, Microsoft, and Sun Microsystems, where he contributed to the growth of Malaysia's Multimedia Super Corridor (MSC). Daniel has played a pivotal role in advancing technology, focusing on the evolution of data from MIPs to Artificial Intelligence and Sustainability.

In addition to his corporate achievements, Daniel advises institutions such as Sunway University, SMU, and the Singapore Chinese Chamber of Commerce. A champion of collaboration and knowledge sharing, Daniel is deeply committed to giving back through his involvement in various educational and business networks, continuously driving innovation and societal progress.
